

How to Receive Twitter Notifications from EPUD on Your Cell Phone

1. You will first need to set-up a Twitter account for yourself online.
 - a. Visit twitter.com
 - b. Click Sign Up
 - c. Fill in the requested details and click Create My Account
2. Once you set-up your account:
 - a. Select the Settings tab (located either along the top of the screen, or in the drop down menu under your twitter user name depending on your version)
 - b. Select the Mobile tab
 - c. Enter in your cell phone details and click Verify
 - d. Follow the onscreen instruction to verify (Text the word "Go" to 40404)
 - e. You will receive a text verifying your account
 - f. Finish the preferences online. Confirm the **Tweets from people you've enabled for mobile notifications** box is checked, then click Save.
3. Select the option stating you would like to receive mobile tweets from EPUD. There are two ways to manage this:
 - a. ONLINE: Navigate to the EPUD twitter page <http://twitter.com/emeraldpu> and select the cell phone icon in the grey bar under our name. If the icon is green, it means you will receive our tweets via text; if it's grey, you will not receive them via text.
OR
 - b. PHONE: Text the words "FOLLOW emeraldpu" to 40404. You will begin receiving our tweets.
4. If you ever want to STOP receiving EPUD tweets, text the words "**LEAVE emeraldpu**" to 40404, or deselect the phone icon on our twitter homepage.

A screenshot of the Twitter sign-up form. It features a blue header with the text "New to Twitter? Join today!". Below the header are three input fields: "Full name", "Email", and "Password". A yellow "Sign up" button is located at the bottom right of the form.
