

**EPUD APPLICATION FOR INCENTIVE
PROPOSAL FORM FOR WEATHERIZATION CONSERVATION MEASURES**

To be used for the EPUD Insulation, Windows, and PTCS Duct Sealing programs. Form must be completed by Registered Contractor listed on EPUD's list of weatherization contractors or the customer responsible for the DIY installation. Rebates are available on a first come first serve basis and are subject to availability of funds. Rebates may be discontinued at any time. EPUD disclaims any warranty, whether expressed or implied, regarding the product(s) listed below for any materials or labor associated with its installation, maintenance, repair, or any energy savings associated with its use.

Site Information

Insulation Program Description

The EPUD Insulation program offers a rebate of \$0.50 per square foot up to 70% of job cost for qualifying attic, floor and wall insulation measures. The incentive for insulating ducts is \$0.50 per linear foot up to 70% of job cost. Eligible customers can Receive both a zero-interest loan and an incentive.

Ceiling, Floor and Wall Insulation Incentive Calculation

Please use multiple lines to differentiate beginning/ending R-Values for different end-uses.

Weatherization Measure	Installed Cost	Beginning R-Value	Ending R-Value	Sq Ft	Incentive	Maximum Incentive Available
<input type="checkbox"/> Attic Insulation						\$0.50/SF not to exceed 70% of cost
<input type="checkbox"/> Attic Insulation						\$0.50/SF not to exceed 70% of cost
<input type="checkbox"/> Floor Insulation						\$0.50/SF not to exceed 70% of cost
<input type="checkbox"/> Floor Insulation						\$0.50/SF not to exceed 70% of cost
<input type="checkbox"/> Wall Insulation						\$0.50/SF not to exceed 70% of cost
<input type="checkbox"/> Wall Insulation						\$0.50/SF not to exceed 70% of cost
<input type="checkbox"/> Duct Insulation *						\$0.50/LF not to exceed 70% of cost
TOTALS >>						\$0.50/LF not to exceed 70% of cost

* If you checked duct insulation above, PTCS Duct Sealing must be completed prior to duct insulation.

Window Program Description

The EPUD Window program offers a rebate of \$5.00 per square foot up to 70% of job cost for qualifying window upgrades. Home must have minimum insulation levels (see program overview). Windows in unheated spaces, remodeling, and increasing window size, do not qualify. Eligible customers can receive both a zero-interest loan and an incentive.

Window Incentive Calculation

Please use multiple lines to differentiate ending U-Values or different window types.

Weatherization Measure	Installed Cost	U-Value	Total # of Windows	Total Sq Ft	Incentive	Maximum Incentive Available
<input type="checkbox"/> Windows						\$5.00/SF not to exceed 70% of cost
<input type="checkbox"/> Windows						\$5.00/SF not to exceed 70% of cost
<input type="checkbox"/> Windows						\$5.00/SF not to exceed 70% of cost
TOTALS >>						\$0.50/LF not to exceed 70% of cost

Acceptable proof of window size and U-Value required. For window size, please provide an invoice from manufacturer, distributor, retailer or contractor. For window U-value, please provide copy of NFRC sticker

Duct Sealing Program Description

The EPUD Duct Sealing Program offers a rebate of up to \$400 for PTCS certified duct sealing projects. Duct test required. Work must comply with PTCS specifications: (1) meet a minimum 50% reduction or; (2) final CFM₅₀ must be less than 10% of conditioned floor space; (3) Strip, seal and insulate all ductwork in unheated areas to a nominal R-11 value and; (4) Mastic required on all seams and elbows. PTCS form must be provided with final invoice.

Duct Sealing Incentive Calculation

Weatherization Measure	Installed Cost	Pre CFM ₅₀	Post CFM ₅₀	Reduction %	Incentive	Maximum Incentive Available
<input type="checkbox"/> Duct Sealing						\$400 or total job cost, whichever is less

If you checked duct insulation above, PTCS Duct Sealing must be completed prior to duct insulation.

Signature

I understand that the above measures must be installed to EPUD's specifications, and that I, or my contractor, have reviewed the specifications prior to beginning work. It is the home owner's responsibility when selecting a contractor to ask for proof of insurance and license(s) that meet the statutes and rules of the Oregon Construction Contractors Board (CCB). I certify that the measure/s will be installed at the above address and that this address is eligible for the EPUD weatherization program.

Contractor	Owner
Contractor offers bid for materials and installation to meet EPUD program standards.	Owner accepts Contractor's offer pending EPUD approval of Incentive and/or loan.
