To receive a rebate credit on your electric bill, simply follow these steps:

Step 1 Purchase a qualifying appliance for installation within EPUD’s service district. **Appliance(s) must be purchased by December 31, 2010.** (To verify that your selection qualifies, check with EPUD. Energy Star appliances can be verified at www.energystar.gov).

Step 2 Complete this rebate form and sign at the bottom.

Step 3 Return the form to EPUD with a copy of your receipt listing the brand name and model number of your appliance(s). For the decommissioning rebate, please provide proof of decommissioning of the old refrigerator.

Mail or bring to EPUD, 33733 Seavey Loop Road, Eugene OR 97405. **Rebate form must be submitted within 90 days of purchase.** Your account will be credited the appropriate amount.

Appliances must meet these requirements to be eligible:

Appliance	Qualifying Program Standard
Clothes Washers	1. Energy Star clothes washers with a Modified Energy Factor (MEF) of 1.8 or higher and a Water Factor (WF) of 7.5 or lower qualify for the rebate. 2. The home where appliance is being installed must have <i>electric</i> water heating.
Dishwashers	1. Energy Star dishwashers must have a maximum energy use of 324 kWh/year and 5.8 gallons per cycle for standard models and a maximum energy use of 234 kWh/year and 4.0 gallons per cycle for compact models. 2. The home where appliance is being installed must have <i>electric</i> water heating.
Electric Water Heaters	Water heaters under 60 gallons must have an Energy Factor of .93 or higher. Water heaters 60 gallons and greater must have an Energy factor of .91 or higher.
Electric Water Heaters Lifetime Warranty	Marathon water heaters with a lifetime tank warranty qualify for the rebate.
Freezers	Energy Star freezers with a volume of 7.75 cubic feet or larger that are at least 10% more energy efficient than the minimum federal government standard qualify for the rebate.
Refrigerators	Energy Star refrigerators 7.75 cubic feet or larger that are at least 20% more energy efficient than the minimum federal government standard qualify for the rebate.
Refrigerator Recycling	Old refrigerators and freezers can use two to three times more electricity than currently manufactured models. Our refrigerator recycling program will schedule, pick up, and responsibly dispose of your old refrigerator or freezer for free. Units must be in working condition and at least 10 cubic feet. Once scheduled, please provide clear and safe access for the removal team. Call our program partner, JACO Environmental at 866-444-8907, or schedule online at www.jacoinc.net .
