## PowerSync Customer Participant Questionnaire Home Energy Usage Characteristics

The EPUD PowerSync is a pilot project, which is why it is important that we gather accurate information about your home's energy usage characteristics. Please answer the following questions to the best of your ability and attach this questionnaire to the EPUD PowerSync Customer Participation Agreement. Return this questionnaire with your agreement to our office and your home will be submitted to the installers for scheduling.

For questions, please contact EPUD Energy Services at 541-746-1583.
