**Send to: EPUD, 33733 Seavey Loop Rd, Eugene OR 97405  
Questions? Call Energy Services, 746-1583**

**To receive a rebate credit on your electric bill, simply follow these steps:**

- Step 1** Purchase a qualifying appliance for installation within EPUD’s service district. **Appliance must be purchased by December 31, 2009.** (To verify that your selection qualifies, check with Emerald Energy Services. Energy Star appliances can be verified at [www.energystar.gov](http://www.energystar.gov))
- Step 2** Complete this rebate form and sign at the bottom.
- Step 3** Return the form to EPUD with a copy of your receipt listing the brand name and model number of your Appliance. If applying for the refrigerator decommissioning rebate, please provide proof of decommissioning of the old refrigerator.

Mail or bring to: Emerald Energy Services, 33733 Seavey Loop Rd, Eugene OR 97405.

**Rebate form must be submitted within 90 days of purchase.** Your account will be credited the appropriate amount.

**Appliances must meet these requirements to be eligible:**

Appliance	Qualifying Program Standard
Clothes Washers	<ol style="list-style-type: none"> <li>1. Energy Star® Clothes Washers with a Modified Energy Factor (MEF) of 1.72 or higher and a Water Factor (WF) of 8.0 or lower qualify for the rebate.</li> <li>2. The home where appliance is being installed must have <i>electric</i> water heating.</li> </ol>
Dishwashers	<ol style="list-style-type: none"> <li>1. Energy Star® standard dishwashers with an Energy Factor (EF) of .65 or higher qualify for the rebate. (A standard dishwasher has a capacity greater than or equal to eight place settings and six serving pieces.)</li> <li>2. Energy Star® compact dishwashers with an Energy Factor (EF) of .88 or higher qualify for the rebate. (A compact dishwasher has a capacity less than eight place settings and six serving pieces.)</li> <li>3. The home where appliance is being installed must have <i>electric</i> water heating.</li> </ol>
Electric Water Heaters	Water Heaters under 60 gallons must have an Energy Factor of .93 or higher. Water Heaters 60 gallons and greater must have an Energy Factor of .91 or higher.
Electric Water Heaters Lifetime Warranty	Marathon water heaters with a lifetime tank warranty qualify for the rebate.
Freezers	Energy Star® Freezers with a volume of 7.75 cubic feet or larger that are at least 10% more energy efficient than the minimum federal government standard qualify for the rebate.
Refrigerators	Energy Star® refrigerators 7.75 cubic feet or larger that are at least 20% more energy efficient than the minimum federal government standard qualify for the rebate.
Refrigerator Decommissioning	EPUD customers purchasing an Energy Star refrigerator for the rebate may also qualify for this rebate by decommissioning their old refrigerator. (The old refrigerator must be at least 14 cu. ft. in capacity & verified as functional. The unit must be decommissioned & its components recycled.) Provide proof of decommissioning such as a receipt from the Lane County Landfill.
