I agree that I am an authorized customer on the account listed above. I am electing to opt-out of Emerald PUD’s advanced metering technology and agree to the terms listed below.

- District employees must have access to manually read the meter each month as determined by Emerald PUD.
- Customers who opt out will not have access to EPUD’s advanced metering technology, verification of outages and outage restoration, usage data for affected account(s), or programs made available by this technology.
- Any account(s) you wish to opt out must not have been disconnected for non-payment at any time in the past 12 months.
- Account balance(s) must be kept current.
- Account(s) must be on a residential rate schedule.
- The District will replace the smart meter with a non-transmitting meter of the District’s choice.
- Any equipment or devices which interfere or obstruct the District’s ability to communicate with its metering equipment is strictly prohibited.
- A one-time installation charge will be assessed.
- A monthly meter reading charge will be assessed.

Additional information is available in the Customer Service Policy at www.epud.org.
